WORK HISTORY

Medical Laboratory Scientist Intern – Turning Point Diagnostic Center, Amuwo - Odofin Estate, Lagos. **11/2019 – 01/2020**

- Assisted Medical Laboratory Scientist with laboratory work, clerical and administration duties.
- Collected and loaded samples onto centrifuges and other sample preparation equipment, ensuring attention to detail throughout.

Teacher - Universal Primary Education School

3rd Avenue, Festac – Town, Lagos.

11/2022 – 05/2023

- Tutored kids between the ages of 8 – 12 years. This helped to improve my communication skills.

Demsco Travel and Tours – Data Analyst

2022

Ran a performance analysis from 2018 – 2021. Utilized Excel for Data Entry as the records were in hard copy form, SQL and Power BI to provide appropriate visualizations to show findings.

- proposed a method of rewarding loyal customers.
 - some customers that were lost over the years were contacted and began purchasing tickets again.
-

EDUCATION

Bachelor of Science: Microbiology
